Zadar, 25 February 2011

Dear Participants of the 7th Global Forum of the Global Parliamentarians on Habitat, Dear Friends,

The City of Zadar has been given an exceptional occasion to be a proud host of the 7th Global Forum of the Global Parliamentarians on Habitat from 18 to 20 May 2011.

Your arrival in Zadar and active participation in the work of this respectable organisation give us the possibility of direct meeting and establishment of sincere friendship.

We would be particularly glad if you decide to prolong your stay in Zadar during the weekend, in the occasion of the Global Forum. Allow us the freedom to offer you a complimentary one-day excursion on Saturday 21 May 2011 to one of five national and three nature parks in the vicinity of Zadar. If you are interested in our offer, we kindly ask you to book your excursion while registering.

On behalf of my fellow-citizens, my colleagues and myself, let me wish you our sincerest welcome to this old town. Zadar will reveal to you the story about its past, by whispering gently to you enchanting legends, while you walk through Roman streets and squares and discover the beauty of the stone promenade and the sea-shore. One story ends and gives place to another which will be told to you in solemn sounds of the Sea Organ, ... and there are many more things to be discovered once you are here.

Come and see for yourself this unique piece of history, splendidly combined with modern architectural solutions, placed in the most beautiful place at the heart of Adriatic, and eastern Mediterranean, come and feel at home!

With expressions of my deepest esteem, looking forward to welcome you in Zadar in May,

Sincerely,

Zvonimir Vrančić
Mayor of Zadar
